### REPUBLIC SERVICES OF KY.,LLC dba INDUSTRIAL DISPOSAL CO.

## **“GREEN REWARDS”** **CITY OF WOODLAWN PARK**

Dear Valued ID Customer:

All of us at Industrial Disposal would like to express our gratitude for the opportunity to serve you. We take great pride in what we do and hope that you find this is reflected in our efforts to provide the best possible service in all sorts of conditions.

ID is excited to announce our national partnership with **RECYCLEBANK**, a FREE rewards based recycling program. This is an exciting initiative designed to motivate more people to recycle and to generate more recycling volume and less trash to the landfills.

Here’s how it works; Logon to : [RecycleBank.com](http://RecycleBank.com) and follow instructions to setup your account. Place your 95 gallon recycle cart at the curb every-other-week for collection. After ID finishes the route, the material is weighed at the recycle center and then the total weight is transferred into bonus points. These points are divided equally among the customers who recycle for that week. Points can be redeemed for tremendous coupon savings at local businesses which consist of groceries, restaurants, boutiques, etc. The participant must go into their RecycleBank account no less than monthly to enter that they “have” participated in recycling to be awarded the points and the discount coupons. The average household can save \$130-\$200 annually. Please visit [RecycleBank.com](http://RecycleBank.com) for more information and for products and businesses who participate.

If you are not currently recycling call ID Customer Service @ 638.9000 or contact your city officials to sign up for service. Also, please visit the [Recyclebank.com](http://Recyclebank.com) website for clarifications of the program. Please take advantage of this unique “GREEN” opportunity. Thank you again for your business in the past. We look forward to continuing our partnership with your community.

Sincerely,

The Management Team of Industrial Disposal Co.
